**D3 Publisher and Buena Vista Games signed a distribution contract
for distributing multiple Disney titles**

Tokyo, Japan (April 28, 2005) – D3 Publisher today announced that D3 Publisher (Yuji Ito, President/CEO Hdqtrs located in Tokyo, Japan) and Buena Vista Games Inc. (Graham Hopper, Representative located in California, USA) have signed a contract for Japan distribution of multiple video games based on many film and Disney Channel properties by the Walt Disney Company.

Major titles scheduled to be released by spring 2006 as the following:

List of titles/platforms :

Disney's Kim Possible™ (GBA)

Disney's Lilo & Stitch™ (GBA)

Tim Burton's The Nightmare before Christmas™: The Pumpkin King (GBA)

Disney's Chicken Little™ (at least 3 platforms including GBA and PS2)

The Chronicles of Narnia™: The Lion The Witch and The Wardrobe (at least 3 platforms including GBA and PS2)

- Disney's Kim Possible™ is an animation TV program series that is currently a big hit in US. It is aired by Disney Channel in Japan since November 2003 and it is aired via TV Tokyo Networks, a terrestrial broadcasting service starting in April 2005. The game is schedule to be released in summer 2005.
- Disney's Lilo & Stitch™ was a box office success in March, 2003 when it opened in theaters throughout Japan. TV program series was aired from April to December 2004. Characters have grown popular among Japanese today. The game is also, scheduled to be released in summer 2005.
- Tim Burton's The Nightmare before Christmas™ continues to gain many core fans since the film was released in theaters nationally back in 1994. The game is scheduled to be released on time for Halloween season in 2005.
- Disney's Chicken Little™ is the first full-3D animation by Disney. The film is scheduled to release in theaters in December 2005 in Japan and the release of the game is to coincide the film release.
- The Chronicles of Narnia™: The Lion, The Witch and The Wardrobe is raved as one of the major fantasy giant of the 20th century. Presently Walt Disney is focusing its total force on the ultra-major fantasy project. The game is scheduled to be released coinciding with the release of the film in spring 2006.
